SPEAKER ONE-SHEET

Every engagement *built for that room.*

Dr. Michael T. George does not deliver rehearsed repeats. Every keynote, workshop, and engagement is crafted specifically for the event, the audience, and the moment — because a room full of executives deserves more than a speaker on autopilot.

CONSULTING	The Detour Diagnostic	Alignment gap analysis with strategic recommendations.
ADVISORY	The Growth Amplifier	Retained advisory for organizations in complex transitions.

WHAT LEADERS SAY

“Michael George provides a compelling roadmap for transforming adversity into opportunity and uncertainty into momentum. This book will resonate with leaders, dreamers, and anyone facing a road they didn't plan to travel.”

Brad D. Smith

President, Marshall University · Former Chairman & CEO, Intuit

“This is not a motivational book. It is a manual for clear thinking and decisive action in the moments that matter most.”

Jim DeMint

Former U.S. Senator · Former President, The Heritage Foundation

Faith-based events welcome. Topics crafted specifically for each occasion.
